PRESENTS  
**EXPLORING EGYPT**  
 WITH PAULETTE MORIN  
 AN EDUCATIONAL VIDEO

Hello. I've just completed the **EXPLORING EGYPT WITH PAULETTE MORIN** video. This video specifically targets young people's questions about ancient Egypt and beautifully augments current school curriculum on this subject. It is also the perfect follow-up to the Having Fun With Pyramids And Pharaohs program.

I fly in a hot air balloon over the pyramids, ride a camel across the desert, and sail a felucca down the Nile. It's a wonderful visual odyssey. A new way of sharing my love of ancient Egyptian history and modern day Egypt with young people.

**EXPLORING EGYPT WITH PAULETTE MORIN** is an educational video chock full of interesting and informative insights on the life and times of the ancient Egyptians. From their truly magnificent religious temples, to a more intimate look at their habits, beliefs and daily concerns, I am often asked, "How is papyrus paper made?" "Were there any women pharaohs?" "How big are the pyramids?" Let's look at these questions and more together.
